## PROFILE

Motivated and detail-oriented Front-End Developer with a solid foundation in HTML, CSS, and Tailwind CSS, complemented by basic JavaScript knowledge. Passionate about crafting clean, responsive, and user-friendly interfaces.

## WORK EXPERIENCE

### Frontend Developer (Personal Projects)

Jan 2024 – Present

- Designed and developed multiple responsive web applications using HTML, CSS, JavaScript, and React to enhance frontend development skills.
- Integrated interactive animations and scroll effects using GSAP and ScrollTrigger to improve user engagement.
- Built reusable components and implemented state management in React for scalable UI development.
- Used Git and GitHub for version control and project collaboration simulation.
- Applied responsive design principles to ensure compatibility across devices and screen sizes.
